

Hard Cover Books

Bare Books with More Pages

Our books with more pages accommodates and encourages young writers to record thoughts and observations, and to keep on writing! Made of high quality paper and hard bound, these books have more pages than our original Bare Book. Great used as a sketchbook, too!

Offer your class daily writing prompts or allow them to write about whatever subject they would like. Have your students write entries once a day and on Friday give them time to develop one of the entries into a poem or short story. This process could be repeated throughout the year, and at the end of the year each student can edit their final work and create an anthology of their writing.
