"ByThePiece" Puzzle

Our New "ByThePiece" puzzle will make a unique project for your class, club or group. **Each of its sturdy pieces measure 8"x8"**, with lots of room for writing and illustrating! You decide how big you want the puzzle - all the pieces are interlocking and interchangeable. (no border pieces)

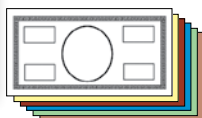

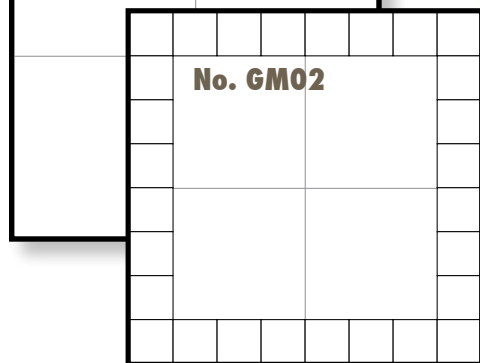

The "ByThePiece" Puzzle doesn't have to be a rectangle or square - you can make frames, zig zags, etc. Our non-coated surface makes it easy to color with crayons, markers and colored pencils.

Bare Game Boards and Accessories

Journey To Gameland

by Ben Buchanan, Carol J. Adams, and Susan Allison

Eleven-year-old Ben Buchanan, who created a board game based on the popular Harry Potter books, provides advice for all children who would like to turn their favorite book into a board game. Along with his co-authors, he offers a step-by-step process, with suggestions for parents, librarians, and teachers, on how to help children transform their favorite book into a board game.
