

Spiral Bound Soft Cover Books

Spiral bounds are great for group books or larger writing and pasting projects. These books are not hard bound but do have high quality paper, spiral binding, and a heavy card stock cover. The variety of sizes make our spiral bound books great for many different projects. Each book has 24 pages (12 sheets).

Bare Step Books

Our New Bare Step Books are a fun tool to use to learn “parts” of things. Parts of a sentence, parts of speech, a dictionary, facts about a state, a person, etc. The books are spiral bound and covered with a sturdy white board. The inside pages (10 sheets) are gradual in size and the same quality paper as our other spiral bound books.

Bare Flip Books

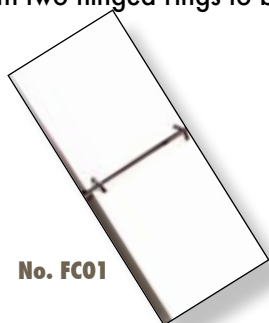

Our New Bare Flip Books are made of the same quality material as our Soft-Covered Spiral Bound Books, and have 12 layers of quality paper in each section.

Our one section Bare Flip Books (item FB01) are helpful for emergent readers when used as Word Family Flip Books. New words are made by using the same ending sounds and changing the beginning sound such as; sail, pail, tail, etc. Three section Bare Flip Books (item FB03) can be used vertically or horizontally for simple math problems, and horizontally for sentence building practice.
